## Largest Ever Cairns Convention Centre Roadshow

Team Cairns recently swept through Melbourne, Canberra, Sydney and Brisbane with 18 operators representing and promoting a diverse range of business event products from the region.

Organised by the Cairns Convention Centre, the annual Roadshow provided the opportunity for over 250 clients and event organisers to discuss their meeting requirements with hotels, tour operators, and exhibition and theming companies from Cairns.

Peter Crawford, Committee Member, International Confederation of Principals said, "The event helped assure me that Cairns is the right destination for the 2013 World Congress. It was very helpful to meet all organisations in one venue."

- Business event products represented included:-
